

# Want a way to save money and help

# DASH?

We will use a thermometer like this one to track your groups progress!

How much can DASH earn?

## The Burke Allstate will donate \$10 to DASH for every Home & Auto Quote we do thru **March, 2013!**

The program is pretty easy and straight forward. For every home and auto quote we do to try to save you money, we will donate \$10 to DASH. There is no obligation to purchase, just an honest chance to save money for you and earn money this worthy cause!

Make sure when you call in to tell us that DASH sent you. We will track the results and provide your contact with a weekly update throughout the referral program.

We will donate up to \$1,000 to DASH AND hopefully save you money along the way. This is a Win-Win opportunity for you and the group!

**Call now, 703-425-5600!**
